

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

LESEAN TAURS COLLINS,

Petitioner,

vs.

D. W. NEVEN, et al.,

Respondents.

Case No. 2:15-cv-02050-JAD-VCF

Order Dismissing Case

On November 12, 2015, the court denied petitioner Lesean Tarus Collins's incomplete application for pauper status¹ and gave him until December 14, 2015, to either to pay the \$5 filing fee or file a complete application to proceed *in forma pauperis*.² The December 14, 2015, deadline expired more than a month ago, and petitioner has done neither. The court cautioned petitioner that his failure to pay the fee or file a new application would result in the dismissal of this case.³ Accordingly, with good cause appearing and no reason for delay,

IT IS HEREBY ORDERED ADJUDGED, and DECREED that this action is **DISMISSED** without prejudice;

All pending motions [ECF 3] are DENIED as moot; and

The Clerk of the Court is directed to **CLOSE THIS CASE**.

Finally, because reasonable jurists would not find the court's conclusion to be debatable or wrong, IT IS FURTHER ORDERED that a **certificate of appealability is DENIED**.

DATED: January 21, 2016

JENNIFER A. DORSEY
United States District Judge
